TV6 Craft Show Policies for 2021

1. *This is a juried craft show. Acceptance is based on proof of craft being handmade, attitude of crafter toward other crafters and show promoters and willingness to comply with all show policies.* All merchandise sold must be handmade and produced by the crafters renting the booth. NO buy/sell items. This will be enforced and you will be asked to leave the show and/or not accepted back.
2. All new crafters must include 1-3 photos of their work with their application. Names must be written on all photos and at least one being a work in progress.
3. Applications for the 2021 shows will be accepted as soon as available and until the shows are full. If you are not accepted into the show, your application will be returned. *Jury panel decisions are final.*
4. All applications must include full payment for the booths you wish to secure. No postdated checks.
5. After 'same booth' deadlines (listed on applications), all booths are assigned on a first come, first served basis.
6. You may mail your applications up to 2 weeks before the shows. After that call Nancy at 906-202-1978 to check on booth availability.
7. Cancellations for a refund will be taken up to 5 days before the craft show. No refunds will be given after that.
8. Please set-up within the set-up times. If a crafter has not checked in by the start of the show, they may lose their booth to someone on a waiting list.
9. Tear down prior to the end of the show is prohibited, NO EXCEPTIONS, so bring enough product. It isn't fair to the customers or other crafters and you will not be allowed back into future shows.
10. After you have unloaded, please park in the areas designated for crafter parking.
11. No dogs are allowed into show area unless they have a service dog vest.
12. Please be courteous and respectful to your fellow crafters, customers, show promoters and venue employees.
13. Do not inspect or handle other crafters items or take photos when owner is not present or without permission.
14. TV6 reserves the right to change their policies without notice.
15. Everyone is to fill out and sign a completed application. Please complete the craft description section as many customers are looking for you both at the show and after. Also, for TV6 to properly advertise the crafters, we need to know what you offer. Incomplete applications or late applications mean lost sales to you!
